FIRE SAFETY & SECURITY TRADE SHOW

16 17 18

NOVEMBER
2025

HELIPAD EXHIBITION CENTRE
GANDHI NAGAR, GUJARAT

ABOUT US

Brahmani Events & Exhibitions Pvt. Ltd. was established in 2003 and has since evolved into one of India's most trusted and dynamic exhibition management companies. With over two decades of expertise, we have successfully organized more than 1,200 exhibitions and events across sectors earning a reputation for professionalism, creativity, and flawless execution.

We offer comprehensive, 360-degree event management solutions, covering everything from concept creation, stall design, exhibitor coordination, and branding to on-ground logistics and post-event analysis. This all-in-one approach allows our clients to focus on their business while we ensure a seamless and high-impact experience.

Our portfolio includes some of India's most prominent trade shows such as **Khadya Khurak, Mother & Baby Expo, FarmTech Asia, Beasa Trade Show, and Voltage Trade Show.** These platforms have consistently brought together thousands of exhibitors and visitors, promoting innovation, fostering business opportunities, and driving industry growth.

At Brahmani, we don't just manage events we create industry ecosystems that connect markets, inspire innovation, and deliver measurable value.

WHY GUJARAT?

Gujarat, one of the most industrialized State of India. It has a strong base of industries, which contributed significantly to the development of the State as well as the country. It has some of the largest businesses in India. Gujarat maintains a variety of industries, like Agriculture Industry, Textile, Diamond, Agriculture Industry, Petrochemical, Pharmaceutical, Dairy, Renewable Energy, Chemicals, Automotive etc.

The fire safety and security market in Gujarat is experiencing growth, driven by increasing awareness, government initiatives, and the need for robust safety measures in a rapidly urbanizing state, with a focus on strengthening the fire-safety framework across the state.,

"GUJARAT'S STRATEGIC GROWTH, INDUSTRIAL DOMINANCE, & EXPANDING INFRASTRUCTURE DRIVE THE NEED FOR ADVANCED FIRE SAFETY & SECURITY SOLUTIONS."

Strategic Location of Gujarat:

Gujarat is located on the western coast of India and has the longest coastline of 1,600 km in the country. It is one of the fastest-growing and most industrialized states in India, making it a highly strategic location for hosting the Fire Safety & Security Expo.

Strong Economic Growth:

The state's Gross State Domestic Product (GSDP) for 2023-24 stands at ₹25.63 trillion (US\$ 309.54 billion), showing a growth of 13.36% over 2022-23. Gujarat contributed 8.6% to India's GDP in 2022-23, reflecting its strong economic footprint. This economic momentum is directly linked to infrastructure development, industrial expansion, and the need for advanced safety systems across sectors.

Industrial Backbone of Gujarat:

There are 13 major industry groups in Gujarat that together account for 82.05% of total factories, 95.85% of total fixed capital investment, 90.09% of total output value, and 93.21% of value addition in the state's industrial economy. Gujarat also ranked 1st in the Export Preparedness Index 2021, and despite a minor decline in exports (US\$ 134.40 million in 2023-24 vs. US\$ 149.40 million in 2022-23), it remains a major export-oriented hub.

This highlights the demand for international-standard fire safety and compliance systems.

ABOUT **FIRST**.

The Fire Safety & Security Trade Show plays a vital role in bringing together leading professionals, innovators, and decision-makers from the fire and security industries to address the evolving safety challenges faced by businesses, communities, and individuals. This event serves as a dynamic platform for learning, collaboration, and business development.

Key Highlights:

» **Brings Together Industry Leaders**

Connects top professionals, technology innovators, and decision-makers shaping the future of fire and security.

» **Addresses Evolving Safety Challenges**

Focuses on modern safety solutions for enterprises, communities, and individuals in today's dynamic risk environment.

» **Platform for Growth**

Offers valuable opportunities for education, networking, and strategic business development.

» **Expert-Led Conferences**

Insightful sessions led by industry experts.

» **Live Demonstrations**

Delivers hands-on exposure to cutting-edge equipment and safety technologies in real-time scenarios.

» **Comprehensive Exhibition**

Features the latest fire safety and security technologies, tools, and integrated solutions.

» **Empowers Attendees**

Equips visitors with critical knowledge, actionable insights, strategic partnerships, and practical solutions to stay ahead in a rapidly evolving safety landscape.

EXHIBITOR PROFILE

✓ Fire Fighting Equipment

- Extinguishers
- Fire Detection
- Automatic Sprinkler Systems
- Fire Alarm Systems Equipment
- Fire Appliances
- Hoses
- Hose Reels
- Fire Nozzles
- Fire Monitors

✓ Active Fire Protection

- Shutters
- Fire Doors
- Fire Pumps
- Deluge Valves
- Water Spray Systems

✓ Passive Fire Protection

- Gas Detectors
- Fire Proof Wiring & Fittings
- Monitors
- Parameter Control Fire Detection Systems
- Smoke Detectors

✓ Cyber Security

- IT Security
- Encryption Technologies
- Risk Management
- Information Security Management
- Data Security
- Network Security
- ID Systems
- Wireless Applications
- Sensitive Material & Record Protection
- Telecommunications Security
- Security Hardware & Technologies

✓ Fire Vehicles and Ancillary Equipment

- Aerial Ladder Platforms
- Airport Fire Vehicles
- Fire Fighting Vehicles
- Rescue Vehicles

✓ Drone

- Defence & Homeland Securities Companies
- GIS Mapping & Surveying
- Manufacturers & Suppliers
- Tech & Information Technologies Companies
- Aerospace
- Training & Academic
- Artificial Intelligence & Robotic

✓ Security Systems

- CCTV and Surveillance Systems
- Burglar Alarms
- Alarm Centers, Control Centers
- Perimeter Security Systems
- Access Control Systems & Equipment
- Store & Goods Security Systems
- Security Services, Patrol Equipment
- Vehicle Security, Security Vehicles
- Other Security Equipment, Materials

✓ Surveillance Equipment

- Camp / Logistic Equipment
- Emergency Response Equipment
- Explosive Detection
- Medical And Evacuation Equipment
- NBC (Nuclear, Biological, Chemical)
- Detection Equipment
- Test and Measurement Instruments etc

VISITOR PROFILE

- ✓ Academicians
- ✓ Airport Brigade
- ✓ Architects & Builder, Developers
- ✓ Banking
- ✓ Civil Services
- ✓ Consultants, Manufacturers
- ✓ Contractors
- ✓ Electrical Contractors
- ✓ Engineers Force
- ✓ Exporters
- ✓ Facility Managers
- ✓ Fire Brigade Representatives
- ✓ Fire Consultants
- ✓ Fire Officers & Executives
- ✓ Fire Training Officers
- ✓ Fire/EMS Chiefs
- ✓ Firefighters
- ✓ Government Departments
- ✓ Government Representatives
- ✓ Health & Safety personnel
- ✓ Hospital and Hospitality industry
- ✓ Hotel Operators
- ✓ Industrial Associations
- ✓ Industrial Brigade
- ✓ Industrial or commercial Companies
- ✓ Insurance Companies
- ✓ Investigation & Protection Agencies
- ✓ Local Authority
- ✓ Loss Prevention Professionals
- ✓ MEP Consultants
- ✓ Military Fire Service
- ✓ Ministries
- ✓ National Disaster Response Force
- ✓ Occupational Safety and Facility Managers
- ✓ OEM manufacturers
- ✓ Police
- ✓ Property Developers
- ✓ Property Management
- ✓ Public Brigade
- ✓ Researchers
- ✓ Safety & Security Heads from Hospitality Industry
- ✓ Safety Managers
- ✓ State level Fire Advisor
- ✓ Sub-Contractors
- ✓ Suppliers
- ✓ Systems Installers
- ✓ Technologists
- ✓ Training Officers
- ✓ Volunteer Fire Service
- ✓ Agriculture and Logistics Services
- ✓ AI-Powered Drones
- ✓ Archeological Survey Department
- ✓ Automation
- ✓ Border Security Forces
- ✓ Commercial Users & Public Authorities
- ✓ Drone Software Engineers & Consultants
- ✓ Drone Traders/Distributors
- ✓ Drone & Microsoft Pilots & Academies
- ✓ Fire Deptt/ Agencies
- ✓ Forest Services
- ✓ Manufacturers, distributors and systems providers
- ✓ Ministry of Defense & Transport
- ✓ Mining & Aggregates & Minerals
- ✓ OEM manufacturers
- ✓ Oil & Gas Companies (Refineries)
- ✓ Police Forces
- ✓ Security Agencies
- ✓ Surveying & Mapping
- Health professionals
